

## Lunch À La Carte Menu

Welcome to 1907 restaurant, bar & grill. We hope you enjoy your dining experience with us.

The Brooklands site is home to one of Britain's most famous racing heritage circuits – in fact it was the world's first purpose built real race track, which opened in 1907 by wealthy land owner Hugh Locke King and was the scene of the earliest motor racing in the country during the 1920s and 1930s.

We take great inspiration from the history of our location, from the original Brooklands racetrack, which rolls out before you in riven quartz and honed granite to the glittering 1930s inspired honeycomb pendants in our lobby.

Brooklands Hotel has much to offer as well as a stylish dining experience in 1907 restaurant – see the back page of the menu for more details.

We have been awarded two AA Rosettes since 2011 and Adam and his creative team are working hard to achieve more accolades and recognition for our great food, great service and fine selection of wines.

We hope you enjoy eating our dishes as much as we enjoy creating them. If you need help deciding or would like advice on the perfect wine to accompany your meal, our fully trained wine experts and friendly team will be delighted to assist you.
