

## Package Inclusive Menu

Welcome to 1907 restaurant, bar & grill.

We are very proud of our historic location, hence naming the restaurant after the year the world-famous Brooklands racetrack was built and opened. The restaurant interior reflects the area's heritage with a 1920s and 30s inspired décor and when combined with modern service delivery, we provide a contemporary dining experience.

Our Executive Head Chef, Adam McLaren, describes his menus as:

- Classical cooking with a modern interpretation
- Decadent but genuine
- Simple but effective

We hope you enjoy our dishes as much as we enjoy creating them. If you need help choosing or would like advice on the perfect wine to accompany your meal, our fully trained wine experts and friendly team are on hand.

The items with a B at the start are the menu items which are included in the package you are booked on to. If you would like to order any of the other dishes, there is an additional supplement of 50% of the item price.
